

PRESENTATION TRAINING

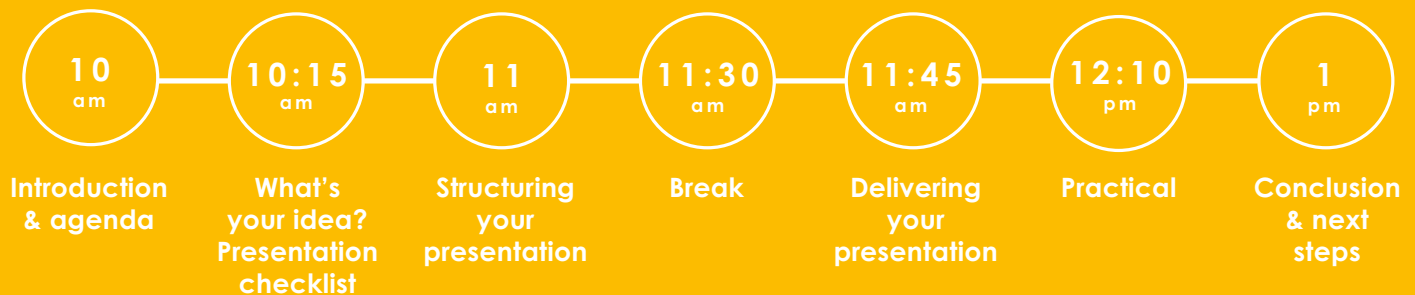

The most realistic media and PR training in London

30 million PowerPoint presentations are created every day and millions of speeches are delivered.

We help you make your speech or presentation stand out.

Presentation training with Rostrum is designed with your presentation in mind. We make time to run through your notes, rehearse, and offer feedback on content, messaging and presentation style. And we don't just cover content; we break down the foundations of a great presenter and share professional tips on the right body language, form and approach when delivering your message – whatever the size of your audience.

Typical 1/2 Day

Course Outcomes

					
Use the 6Cs to plan and develop a powerful presentation	Create a compelling introduction to the presentation	Use interesting examples to reinforce your message	Apply creative elements to increase audience engagement	Take tips from 'best practice' presentations	Deliver the presentation on the day
